

Goulet Telecom International Organizes a Study Tour on the Canadian Space Segment for a Delegation from Cameroon

30 November 2007 (Montreal) – Goulet Telecom International was very pleased to organize a Study Tour on the Canadian Space Segment for a delegation from Cameroon from 26 to 30 November 2007 in Montreal and Ottawa, Canada. The objective of this Tour was to provide the delegation with the latest information on how to develop,

The Cameroon Delegation with Mr. Michel Bruyère, CEO of Goulet Telecom International and Mr. Patrick Fernet, senior expert.

implement and manage the space segment. The Ministry of Post and Telecommunications and the Telecommunications Regulatory Board (ART) of Cameroon wished to take inspiration and gain knowledge from the Canadian experience and expertise, and thus commissioned Goulet Telecom International to organize meetings and visits with key actors of the sector in Canada.

The delegation was composed of executives and top managers of the key telecommunications organizations

in Cameroon: the national regulator, the Telecommunications Regulatory Board (ART); the former incumbent operator, Cameroon Telecommunications (CAMTEL); the Ministry of Posts and Telecommunications; and the local private sector operators association, Collectif des Opérateurs Nationaux Exploitant dans le Secteur des Télécommunications du Cameroun (CONESTEL).

This Study Tour enabled the Cameroonian delegation to benefit from the Canadian know-how and gain a better understanding of the management of the access to space resources and of network operators using the space segment.

“The Tour on the Canadian space segment went beyond my expectations” said Mr. Beh Mengue, General Director of ART who participated in the Study Tour. Another participant also mentioned: “I really appreciated the fact that the meetings were organized with a wide range of organizations of the space industry giving us many contacts in Canada that are going to be useful for our mandate in Cameroon”.

For further information on this Study Tour, please contact Ms. Amélie Fournier at afournier@goulet-telecom.com.
