

Goulet Telecom International Signs a MoU with Sudacad

31 May 2007 (Montreal) – Goulet Telecom International is launching a new partnership in training with Sudacad, the training academy of the Sudanese Telecommunications Company (Sudatel).

Within the framework of the development and continuous improvement of the Academy through training, consultancy and cooperation, Mr. Michel

Bruyère, CEO of Goulet Telecom International and Mr. Ibrahim Eisa El Baigawi, General Manager of Sudacad signed a Memorandum of Understanding (MoU) on 7 March 2007.

The MoU consists of several items:

- Organization of Training Programs in Sudan for professionals of Sudatel and its subsidiaries in the fields of strategy & management, marketing & sales, engineering & operations, finance, human resources and policies & regulations
- Consulting services to Sudacad for the evaluation, development and strategic planning of the Academy

The objective of this new collaboration is to actively contribute to the further development of human capacity in the ICT sector of Sudan.
