

## Goulet Telecom International holds its first Training Program in Europe

**2 August 2005 (Montreal)** – Goulet Telecom International held its first Training Program in Europe in July 2004. The “Interconnection Agreements Negotiation & Management” Training Program was held in French, in Paris from 19 to 30 July 2004 and was attended by participants from French-speaking African countries. The objective of this Training Program is to provide participants with appropriate guidelines, business case approach and techniques to improve negotiation results, and maximize revenues and savings on a short- and long-term basis.
