

Goulet Telecom International holds its first Training Program in Europe

7 June 2005 (Montreal) - Goulet Telecom International participated to the Telecommunications Senior Management Program organized by the Telecommunications Executive Management Institute of Canada (TEMIC) that took place in Montreal, Canada from 23 May to 3 June 2005. Mr. Michel Bruyère, General Manager of Goulet Telecom International made a presentation on the recent developments of cost and tariffs. TEMIC is a non-profit organization based in Montreal, Canada that offers management seminars at various locations across Canada in order to allow participants to acquire firsthand knowledge on the latest management techniques and technologies available in Canadian telecommunications.
