

Neotelis and i³ Forum Announce i³ Training Programs Calendar for Fall 2010

22 July 2010 (Montreal) – Neotelis and the i³ Forum today announced the release of the [i³ Training Programs Fall 2010 Calendar](#) for a new suite of Neotelis Training Programs on international IP interconnection (i³). These programs are based on the most recent work of the i³ Forum.

‘We are very pleased to be offering these programs on international IP interconnection in collaboration with the i³ Forum. We believe that these programs will be of great benefit to our global customer base many of whom are facing the transition to IP-based interconnection in the near future.’ said Michel Bruyère, CEO of Neotelis.

Philippe Millet, Chairman of the i³ Forum stated, ‘We are thrilled that our vision of offering training programs based on the Forum’s work is now a reality. Neotelis has significant experience in training telecommunications carriers and is ideally positioned to collaborate with the i³ Forum to provide this training.’

The new i³ Training Programs will be held in Montreal, , London and Paris as follows:

- VoIP Primer: *Montreal (20–21 September), London (25–26 October)*
- Transitioning International Voice Interconnections to IP: *Montreal (22–23 September)*
- International IP Interconnection – Business Aspects: *London (27–29 October)*
- International IP Interconnection – Technical Aspects: *Paris (29 November – 1 December)*
- International IP Interconnection – Operational Aspects: *Paris (2–3 December)*

Additional information is available at www.neotelis.com or www.i3forum.org.

About Neotelis
